**Public Information Meeting – Southern N.H. PFC Investigation
NHDES and NHDHHS to Provide Update on Ongoing Investigation of
Perfluorochemicals Found in Southern N.H. Drinking Water**

Concord, NH - The New Hampshire Department of Environmental Services (NHDES) and the Department of Health and Human Services (NHDHHS) invite the public to a Public Information Meeting to hear an update on the ongoing investigation of the presence of perfluorochemicals (perfluorooctanoic acid (PFOA) and perfluorooctane sulfonate (PFOS)) in southern N.H. drinking water. The meeting is open to residents from any of the affected towns.

Meeting Information:

Merrimack:

Wednesday, June 29, 2016, 7:00 p.m.

**James Mastricola Upper Elementary School all-purpose room
26 Baboosic Lake Road, Merrimack, NH 03054**

For more information on the investigation please refer to the NHDES PFOA investigation webpage: <http://des.nh.gov/organization/commissioner/pfoa.htm>. The public is requested to direct their inquiries to the PFOA Public Inquiry Line at 603 271-9461. Members of the press are requested to direct their inquiries to Jim Martin, NHDES Public Information Officer, at 603 271-3710.
